ASSOCIATED STUDENT BODY

The Associated Student Body is an all-student organization in which it is possible to seek and to bring to light the needs and desires of the students as individuals, as groups, and as a united body. It strives to unify interests, opinions, and methods of procedure both within the student body and between the student body and faculty. The spirit of the Associated Student

Body is that of individual responsibility for, and cooperative support of, the ideals that are in harmony with democracy.

The three branches of government — executive, judicial, legislative — give every student the opportunity to offer suggestions as to the best ways of accomplishing these aims.

The Buchanan Dramatic Club takes pride in bringing outstanding plays to the campus, but its primary aim is to afford every interested student an opportunity to be active in some phase of the theatre.

The Club places as much emphasis on back-stage work as it does on acting, and in so doing hopes to give all participants a better under-

standing and appreciation of both areas of play production.

It has long been the policy of the Club to make every effort to cast each member in at least one play in the hope that some contribution will be made to the personality development of the individual.

This organization provides musical education for students in order that they might profit from these experiences later, and at the same time entertain and advertise the school in military parades and concerts.

The band this year, composed of ninety students, is one of the largest in the history of Middle Tennessee State College. During the football season, the band performed for the majority

of the home games and traveled to Murray, Kentucky, to participate in the half-time activities there.

With football season over, the band went to McMinnville, Manchester, Hartsville, Cleveland, and Chattanooga to present concerts.

Also, an additional concert was given in Murfreesboro, with senior band majors conducting the band.

The Townsmen, made up of Middle Tennessee State College students, were organized in 1918 by Mr. Neil Wright to furnish music for the school dances.

The Middle Tennessee State College Chorus, composed of a hundred voices, has given various concerts this year. During the fall quarter they gave an assembly program as well as their regular fall concert. During the winter quarter they traveled to Shelbyville and Winchester for perform-

ances and gave a concert for assembly. During the spring they gave concerts at Gallatin and Springfield and presented a program for the students of Middle Tennessee State College and the general public.

WOMEN'S TRIO AND MEN'S QUARTET

The Women's Trio, composed of Donna McHenry, Martha Massey, and Betty Brown Tipps, and the Men's Quartet, composed of Raymond Tanksley, James Williamson, George Kuhnert, and Charles Anderson, have assisted the Harp

Singers and Chorus in a number of concerts. They have also furnished programs for civic clubs, women's clubs, churches, and school functions during the year.

THE UNDEFEATED

The Raiders, in their third year under the tutelage of Head Coach Charles M. Murphy, romped through the season undefeated. Not since 1936 has this feat been accomplished.

They started the season by torpedoing a fa-

vored Memphis Naval Base eleven 25 to 13. The Blues were sparked by Maxie Runion, who scored all four touchdowns.

Next the Raiders ran roughshod over the Mayville College Highlanders 15 to 13, with a continued display of offensive power.

With no further ado, Coach Murphy's boys muzzled the Union Bulldogs to the tune of 32 to 18. Runion once again paced the Raiders with two touchdowns.

Sporting a clear record, the Blue Raiders next took the war whoop out of the Arkansas State Indians with a 25 to 12 score. The game was highlighted by the strong display of defensive power from the other half of the two platoon system, which worked more effectively than the score would indicate. The defensive team kept the Indians aerial attack to a minimum by intercepting eight passes.

With the vision of an undefeated season before them, the powerful Raiders trounced the Milligan Bulldogs 19 to 0 for their fifth straight victory. Again its defensive team was outstanding and did not allow the Bulldogs to get past the Raider fifteen-yard line.

The East Tennessee State College Buccaneers were next on the Raiders' death list and were

sown under 30 to 0 with Bill Fandrich kicking all four of the extra points.

Under the excellent quarterbacking of J. B. Proctor and John Raymond Smith, the sons of M. T. S. C. had little trouble with the Florence State Lions and knocked them off with a 55 to 17 score.

With eight straight victories to their credit, the Raiders faced a strong Murray State eleven and came out with the only blemish on their record. After a 7 to 0 lead at half-time, they were tied in the last half, and the game ended with the hopes of a perfect season shattered.

The Blue Raiders drew the curtain on another season when they met their traditional rivals, Tennessee Tech, in a Turkey Day tilt in Murfreesboro. Trying to avenge the loss to Tech last year, the Raiders had little difficulty with the Eagles and downed them 11 to 0 on a muddy field which was a serious setback to the Raider offense.

The scoring honors for the 1919 team went to Runion (18), McCoy (12), E. Adams (30), Proctor (21), Harris (21), Atchley (21), Fandrich (15), Varallo (12), Whiteaker (8), Beck (6), James Adams (6), Smith (6), Arnold (6), Murray (2).

The Volunteer State Athletic Conference named the Blue Raiders champion for 1919. Runion, Proctor, Varallo, Grider, Lyons, and McCoy were placed on the V. S. A. C. All-Conference team.

CHARLES HARMENING
Captain

With the 54 to 53 win over their arch-rival T. P. I., the Blue Raider basketball squad rang down the curtain on the home season. The 1949-50 schedule found the Raiders playing more games and stiffer opponents than any other State team in recent years.

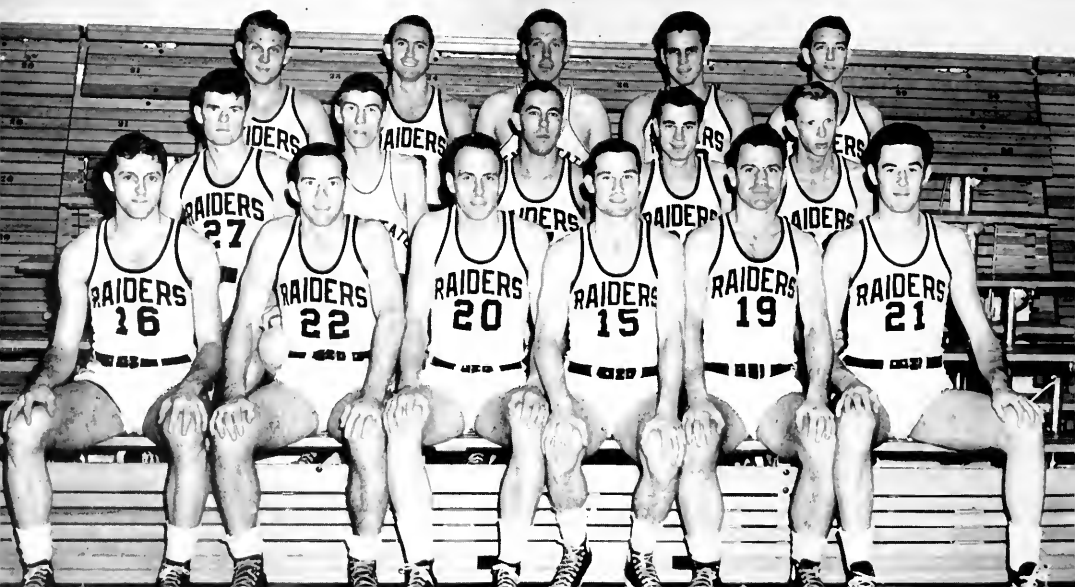

The squad, although playing under the handicaps of a new coaching system and new playing floor, ended the regular season with a record of twelve wins and twelve losses.

After relinquishing their lead in the Volunteer State Athletic Conference in the last week of the season, the cagemen went through to win the consolation award in the V. S. A. C. tournament. Harry Gupton, sophomore forward, was named on the All-Conference team.

By scoring a total of 1,006 points in his college career, Charles "Fuzzy" Harmening became a member of the elite 1,000 point group and established a new scoring record at Middle Tennessee State College.

THE FRESHMAN CLASS

IN APPRECIATION

Last but certainly not least is this page which we reserved especially for the expression of our sincere appreciation to the many individual whose help and wholehearted cooperation made this book possible. There were moments when we wondered whether we would have the MIDLANDER winging its way back from the printers on schedule. But always there were those who lent a most welcome helping hand and were a constant source of encouragement and inspiration.

We wish to take this opportunity to thank the following for their efforts: those students who so valiantly tramped downtown to have their pictures made; members of the faculty and club officers for their assistance in getting group pictures and for overlooking so cheerfully the many inconveniences we caused them; the administration officers and staff for aiding us in checking class lists; Dr. Emily Calcott for her cooperation in copyreading material; Charles Powell, Garland Russell, Bob Couch, Lewis Bandy, and Ed Delbridge for the entire photographic job; McQuiddy Printing Company and Capitol Engraving Company for their interest in the book; and, of course, our thanks to the wonderful student body for cooperating with us through every phase of the task.

We owe a special debt to our advertisers, for without their help this publication would not have been possible. They merit our patronage and encouragement.

The worries, the mistakes, the last-minute deadlines are at last all over — yet through all this it has been a real thrill to see a glimmer of an idea emerge into being and to watch it develop into the pattern of a yearbook.

We leave it now with the happiest of memories.
